US Conference of Mayors – Tampa Topline December 19-28, 2000

Over the past five years, would you say that _____ in the area where you currently live has gotten better, worse or stayed the same?

1. Traffic

1%	Much better	Net better 7%
6%	Somewhat better	
32%	Somewhat worse	Net worse 74%
42%	Much worse	
16%	Stayed the same	
3%	Don't know/refused	

2. Commuting time to work

2%	Much better	Net better 15%
13%	Somewhat better	
19%	Somewhat worse	Net worse 33%
14%	Much worse	
29%	Stayed the same	
23%	Don't know/refused	

3. Access to public transportation

10%	Much better	Net better 19%
9%	Somewhat better	
8%	Somewhat worse	Net worse 20%
12%	Much worse	
28%	Stayed the same	
33%	Don't know/refused	

4. Do you favor or oppose high-speed trains, traveling at speeds of 110 miles per hour and higher, serving your area and connecting major population centers to provide an alternative to airports and highways.

37%	Strongly favor	Net favor 62%
25%	Somewhat favor	
11%	Somewhat oppose	Net oppose 33%
22%	Strongly oppose	
5%	Don't know/refused	

5. Would you be interested in riding the new Acela service?
- | | | |
|-----|--------------------|--|
| 62% | Yes | |
| 33% | No | |
| 5% | Don't know/refused | |
6. How much impact do you think that the availability of an attractive and convenient rail service have in reducing traffic?
- | | | |
|-----|-------------------------|-------------------|
| 20% | A very large impact | Net impact 53% |
| 33% | A somewhat large impact | |
| 27% | A minor impact | Net no impact 40% |
| 13% | No impact | |
| 7% | Don't know/refused | |
7. Assuming that no new transportation alternatives will be offered during the next five to ten years, would you expect traffic congestion to improve, worsen, or stay the same?
- | | | |
|-----|----------------------|-----------------|
| 4% | Improve a great deal | Net improve 24% |
| 20% | Somewhat improve | |
| 21% | Somewhat worsen | Net worsen 59% |
| 38% | Worsen a great deal | |
| 15% | Stay the same | |
| 2% | Don't know/refused | |
8. Would you want your community to build new light rail or commuter rail systems so that people would have the option of travel without the use of their cars?
- | | |
|-----|--------------------|
| 69% | Yes |
| 23% | No |
| 8% | Don't know/refused |

Please tell me whether you consider each a very convincing reason, somewhat convincing reason, slightly convincing reason, or a not convincing reason at all to use public money for rail systems

9. A new rail system would reduce traffic congestion. Is this a...
- | | | |
|-----|-----------------------|------------------------|
| 25% | Very convincing | Net convincing 64% |
| 39% | Somewhat convincing | |
| 13% | Slightly convincing | Net not convincing 32% |
| 19% | Not convincing at all | |
| 4% | Don't know/refused | |
10. A new rail system would improve travel options for your neighborhood or local area. Is this a...
- | | | |
|-----|---------------------|------------------------|
| 27% | Very convincing | Net convincing 55% |
| 28% | Somewhat convincing | |
| 12% | Slightly convincing | Net not convincing 42% |

30%	Not convincing at all
3%	Don't know/refused
