Family Day - CELEBRATE AND EXPLORE BOSTON!

From the Hatch Shell to the Harbor... There is so much to see and do in Boston that we couldn't possibly limit you to one activity! Discover Boston and all its unique and wonderful sites! Stroll through Boston Garden and take a swan boat ride. Or take in one of the activities featured below. Tickets, on a **first-come, first serve basis**, will be available to USCM Mayors, spouses and guests at the Boston Hospitality Desk for the following activities:

Boston Red Sox Game

- Visit historic Fenway Park and watch the Red Sox take on the Phillies!

(Mayors Only)

Museum of Fine Arts

- The biggest of Boston's many art museums, the MFA features a little bit of everything including its well-known Egyptian collection, Impressionist paintings, and Old Kingdom and Nubian art. The West Wing of the MFA was designed by I.M. Pei.

Duck Tours

- To accumulate little-known trivia bits and get a great overall tour of the City, take the Boston Duck Tour! You'll ride a renovated World War II amphibious vehicle that gives you a look at several Boston landmarks and then splashes you into the Charles River for a waterside view of the City!

Museum of Science

- One of Boston's most popular museums, the Museum of Science features more than 400 interactive exhibits, an Omni theatre, a planetarium and laser show, dinosaur exhibits, a virtual fish tank and plenty of science!

Aquarium

- Experience an up-close encounter with penguins, sea turtles, tropical fish, sharks, eels and more! Many can be seen inside the 187,000 gallon, six story giant ocean tank that spirals to the ceiling in the Aquarium.

Boston's Children's Museum

- Voted one of the nation's Top 3 Children's Museums by Child Magazine, the Children's Museum offers four floors of arts, culture, science and FUN!
